Daring Train Holdup on the Prairie Out of Coffeyville. Kan .: Coolly Take Two Hours to Do the Job.

EPIDEMIC OF ROBBERY AND SAFE CRACKING

Robbers Blow Safe in Kansas and Get \$4,600: Others Get \$4,000 in Missouri: Iowa Train Held Up.

(Associated Press) Coffeyenle, Kans., March 24 .- For we hours last night six masked men held the St. Louis, fron Mountain and Southern passenger train No. 4 at a standstill on the prairie six miles south of this city. They blew the safe of the express car and escaped in two automobiles, carrying with them money and valuables, which it is be Reved amount to \$20,000.

Just after the train left Lenapah. just south of this city, over the Oklahoma line, Engineer Lynch heard a sharp ers of hands up. Turning he saw a masked man on the tender

T'm going to ride a little ways with you," said the man "Drive on."

The engineer drove on. About four miles out of Lenapah the man compelled the engineer to stop the train at a small culvert near a clump of trees. Five more masked men took their position on either side of the train, began shooting into the air and along the sides of the train. Then, while two men stood guard, the other four marched the engineer and threman to the day coach and locked

The three men then went to the exareas can and forced the two express resengers to jump out and stand where they could be covered with the

evolvers of the robbers. After nearly an hour's work the men succeeded in getting a charge of

The men made no heate. They were attitude and that he did not believe at least three miles from any habita tion, and went over carefully all the packages they took out of the Soen two automobiles approached to within 100 sards of the train. The lights of the machines were extin-

and the machines disappeared. The robbery was reported as soon as the train reached this city, and the sheriff and deputies immediately started on horseback in pursuit of the
